PMSA Application

Class of 2023

“One Team, One Goal, One Proviso”

Admissions Application Deadline: For your application file to be considered for selection, it must be postmarked or delivered directly to PMSA no later than January 15, 2019. The PSAT 8/9, Naglieri Non-Verbal Ability Test, and Written Academy Essay must be completed as outlined in this application.

As parents and educators, we share, we collaborate, we learn and we grow as individuals when we celebrate the academic growth of our children. When we embrace our school, our teachers, our administration, and our community, we are embracing our children's future. Our children's future signifies the future of our country. This is what Proviso Mathematics and Science Academy represents: an institution of advanced rigor, high standards and access to a direct pathway in pursuit of academic excellence.

Proviso Mathematics and Science Academy is a selective enrollment high school that prepares our children for the global economy of the 21st century. The students achieve advanced status in reading, science, engineering, math and technology. Through our unique pedagogical approach to teaching and learning, our students become experts in the sciences as well as in the social sciences. We nurture tomorrow's leaders; we inspire, educate and empower all students to become lifelong learners and contributing members of society through our continuous spectrum of research, evaluation and our globally challenging digital world.

Our curriculum offers the depth and breadth of the collegiate level of academic achievement. Through our Dual Credit enrollment classes, our students are able to receive college credit; through our Advanced Placement classes, our students are exposed to another level of higher education and may receive college credit; through our International Baccalaureate curriculum, students can graduate with an IB diploma and qualify to enter any university in the world. Not only do we approach learning through a student-centered environment, but we also approach learning through the post-secondary curriculum where research-based and inquiry-based learning dominate the classroom environment with a global perspective.

Proviso Mathematics and Science Academy is highly competitive, as is the admissions process. It is an honor and privilege to be considered as a candidate of the school.

Our administration, faculty and staff are experts in their fields and committed to the students of the Academy. Together we will guide and support your children's academic endeavors to help them achieve their future goals and aspirations.'

Sincerely,

Dr. Bessie Karvelas Ed.D.

Principal, Proviso Math and Science Academy

Honor Code and Pledge

The Proviso Mathematics and Science Academy is an academic community that upholds the values of honesty, integrity, respect for self and others, ethical decision-making, and responsibility for personal decisions. It is a community that works toward the common good and promotes the dignity and worth of all. Together, Academy community members honor the efforts and achievements of each other, recognizing and celebrating both strengths and areas of growth as part of the human condition.

- Honesty** A value that holds each person to the truth
- Integrity** Firm adherence to our values with and without the presence of others
- Respect** Treating others as we would like to be treated
- Responsibility** Being accountable for our actions and accepting the consequences of our actions
- Ethical Decision-Making** Adhering to the highest standards of judgment while making personal and community decisions

The student code, as defined in the Student Handbook, explains those types of behavior that support and those that undermine these principles. Each Proviso Mathematics and Science Academy community member is expected to uphold and promote these principles with rigor and passion. Together, we are proud to be the Proviso Mathematics and Science Academy.

As a member of the Proviso Mathematics and Science Academy community, I honor academic and personal integrity. I will uphold the values of honesty, integrity, respect, responsibility, and ethical decision-making.

The information given herein is true and accurate. If the applicant is admitted to the Proviso Mathematics and Science Academy, we agree to adhere to the rules and regulations now in existence and those that may be established in the future by the school. We agree to permit information in this application and other records resulting from applying to and attending the school to be made available on a confidential basis to the applicant's home school, other educational institutions, and for PMSA-approved research and public relations purposes.
