Principal's Corner

Dear Tiger Family,

As we come to the close of the first quarter, I want to share how **PROUD** I am of the IMS staff and students on their remarkable transition into e-learning! As we continue to chart our way through uncharted waters, the resiliency and commitment to the highest levels of educational excellence are present in each session I have had the pleasure to "pop" into.

With the news that we will be continuing in this format during Quarter 2, I want to reassure you that my team is here to serve you each and every day. The administration and office teams are in the building daily to assist you with any questions or concerns you may have about your student or to help with any tech issues that may arise.

Finally, I would like to once again thank you for encouraging your students to engage in instruction each day. Our families play an intricate role in ensuring the success of all students. Please know that your hard work hasn't gone unnoticed. Although we aren't able to see one another daily, we are still one team, setting out to accomplish one goal, and we are on the right track. Let me encourage everyone to continue to stay focused, stay engaged, stay healthy, and stay safe. -- Principal Mahone
