Welcome back to school Irving Tigers!

Dear Parents,

We are off to a great start to a new school year. Students are engaged in learning daily. All routines and procedures are in place and students have met all their teachers for this quarter.

Currently, we are MAP testing for the next couple of weeks, so please encourage your child to make sure their laptops are fully charged. In addition, we are now signing up students for any extra-curricular activities offered throughout the school year Monday, Wednesday, Thursday, and Friday from 2:45 until 4:45. Here is a great opportunity for your child to extend their day with tutoring, sports, and many clubs. If you have questions, feel free to contact our office.

Finally, thank you for attending the Open House we look forward to working with you this year to ensure the success of each scholar. If you have any questions or concerns throughout the year, feel free to contact us. Thank you for all you do to support Irving Middle School.

Best,

ABC's of Student Success

A B Cs Of Student Success

is for ATTENDANCE.

Attendance is a critical factor in any child's school success. Children should attend school every day, except in cases of illness or emergency. It is impossible to replace the learning that happens on any school day with make-up work. Regular attendance and promptness are good habits that are expected and appreciated at all levels of schooling and in the workplace. This year, make school a priority in your household. Commit to excellence in attendance. Your child's future depends on it!
