

November 2024

Dear Irving Families,

Congratulations to our teachers, staff, and students. We just received our school designation, and I am proud to announce that we have moved up to Commendable. Our teachers, staff, and students have worked very hard during the 2023-2024 school year to get this great news. Please join me in celebrating Irving Middle School and the Maywood Community.

In addition, we could not do this without you! Thank you for sending your children to school to do their best daily. We appreciate your efforts, consistency, and dedication to our Tigers! Again, THANK YOU!

Furthermore, 1st Quarter Report Cards will be distributed November 4th along with additional attachments. We have some big events coming up this month, so please make sure that you check our social media page weekly for exciting happenings at The Irving Middle School.

Finally, as the season of thankfulness and giving is upon us, I wanted to remind us all to take a moment to reflect on all we have to be grateful for. Please continue to look after your health and practice safety throughout this holiday season.

Best,

ABC's of Student Success

A B Cs Of Student Success

is for ATTENDANCE.

Attendance is a critical factor in any child's school success. Children should attend school every day, except in cases of illness or emergency. It is impossible to replace the learning that happens on any school day with make-up work. Regular attendance and promptness are good habits that are expected and appreciated at all levels of schooling and in the workplace. This year, make school a priority in your household. Commit to excellence in attendance. Your child's future depends on it!
