

December 2024

Dear Tiger Family,

As 2024 ends, and the holiday season is upon us, I would like to take a moment for us all to reflect on how far we have come this year despite all the challenges we've faced. Our students and staff have been working diligently in the classroom as well as outside of the room on many school initiatives. Thanks to our parents and community for their continuous support daily.

The 2nd Quart will be closing shortly after we return from winter break, please continue to encourage your Child to finish out the quarter strong. Also, please remind them to be here and on time daily. Finally, let's ensure your child is prepared to take MAP Assessments this week, It is our goal to make sure All students are prepared to do their Best each day.

In closing, I wish all of you a happy holiday season and hope your break will be full of love, laughter, and time to make memories. Please continue to look after your health and practice safety throughout the season. I look forward to new expectations in 2025.

Best,

Keith Mahone Sr.

ABC's of Student Success

A B Cs Of Student Success

A is for ATTENDANCE.

Attendance is a critical factor in any child's school success. Children should attend school every day, except in cases of illness or emergency. It is impossible to replace the learning that happens on any school day with make-up work. Regular attendance and promptness are good habits that are expected and appreciated at all levels of schooling and in the workplace. This year, make school a priority in your household. Commit to excellence in attendance. Your child's future depends on it!
