Adreanna DaytonDean of 6th**Otis Williams**Dean of 7th**Kurain Scott**Dean of 8th**Welcome to the month of February Irving Families,**

I hope everyone is ready for the change in weather coming soon. February was busy with many activities for our students, and we thank you for your support. As we move into March and closer to Spring, we have a lot of exciting things happening this month as well. Please take a moment to read the important information shared.

Furthermore, I am asking all parents and guardians to complete our annual 5Essential Survey which helps us share important information related to your child's academic progress. See link: <http://survey.5-essentials.org/illinois/survey/parent/>

In addition, all students will take the IAR Assessment this month. Please make sure your child is in school daily and prepared. Also, please work with us to make sure students keep up with their devices. Our staff want to ensure all scholars are prepared to complete classwork, assessments, and homework daily. This is the 3rd marking period, please take a moment to check your child's progress.

Finally, if you have any questions or concerns, feel free to contact my office. Again, thank you for your support daily. It is our goal to ensure that each scholar is College and Career Ready.

Best,**Principal Mahone**

ABC's of Student Success

A B Cs Of Student Success

A is for ATTENDANCE.

Attendance is a critical factor in any child's school success. Children should attend school every day, except in cases of illness or emergency. It is impossible to replace the learning that happens on any school day with make-up work. Regular attendance and promptness are good habits that are expected and appreciated at all levels of schooling *and* in the workplace. This year, make school a priority in your household. Commit to excellence in attendance. Your child's future depends on it!
