Welcome to the month of April Irving Families,

March was another busy month with many activities for our scholars, and we thank you for your support. In addition, we have now approach our final quarter of the school year.

All scholars will receive their 3rd Quarter grades April 7th. Please take a moment to review them and follow up with teachers if need for conferences.

Furthermore, thanks for your support during IAR Assessments and completing the 5Essentials survey. Our goal is to ensure all students are successful and your input is very important.

Finally, as we plan to finish this school year strong, please make sure your child is in school daily and prepared. Also, please work with us to make sure students keep up with their devices. If you have any questions or concerns, feel free to contact my office. Again, thank you for your support daily. It is our goal to ensure that each scholar is College and Career Ready.

Best,

Keith Mahone Sr.
Principal

ABC's of Student Success

A B Cs Of Student Success

is for ATTENDANCE.

Attendance is a critical factor in any child's school success. Children should attend school every day, except in cases of illness or emergency. It is impossible to replace the learning that happens on any school day with make-up work. Regular attendance and promptness are good habits that are expected and appreciated at all levels of schooling *and* in the workplace. This year, make school a priority in your household. Commit to excellence in attendance. Your child's future depends on it!
