# TIGERS

Welcome to the month of May Irving Families,

April was another busy month with many activities for our scholars, and we thank you for your support.

MAP testing begins the week of May 5th through May 23rd. Please make sure your child is prepared with a good night's rest and nutritional breakfast daily. It is our goal to ensure all students are successful on this final assessment of the school year.

Furthermore, please plan to look out for information regarding school performances, academic award ceremonies, and 8th graduation. We are excited to acknowledge every student for their hard work and commitment throughout the year. In addition, let's take a moment to recognize our educators May 5th through 9th for Teacher Appreciation Week. Thank you staff for all you do.

Finally, as we plan to finish this school year strong, please make sure your child is in school daily and prepared. Also, please work with us to make sure students keep up with their devices. If you have any questions or concerns, feel free to contact my office. Again, thank you for your support daily.

Best,

## ABC's of Student Success

**A B C**s Of Student Success

**A** is for ATTENDANCE.

Attendance is a critical factor in any child's school success. Children should attend school every day, except in cases of illness or emergency. It is impossible to replace the learning that happens on any school day with make-up work. Regular attendance and promptness are good habits that are expected and appreciated at all levels of schooling *and* in the workplace. This year, make school a priority in your household. Commit to excellence in attendance. Your child's future depends on it!
