Irving Middle School Families!

As we progress through Fall season, we are excited about the different things that are taking place at Irving Middle School. Our dedicated staff is here to support and ensure the success of all students.

During the month of November students work diligently on their instruction. Irving teachers and staff are working very hard to make sure students are getting the most out of learning, and they are fully engaged in their daily lessons. We hope you are receiving important information regarding your child's progress.

Furthermore, I would like to thank our parents, teachers, staff, and community for supporting all the events we had last month. We appreciate the sacrifices you continue to make to support Irving.

Finally, if you have any questions or concerns, please feel free to make an appointment with any of your children's teachers. I've listed several important events that will occur this month, so please take a moment to peruse this information. It is our goal to ensure that your child is **college and career ready**. If you have any questions or concerns, please let us know.

ABC's of Student Success

A B Cs Of Student Success

A is for ATTENDANCE.

Attendance is a critical factor in any child's school success. Children should attend school every day, except in cases of illness or emergency. It is impossible to replace the learning that happens on any school day with make-up work. Regular attendance and promptness are good habits that are expected and appreciated at all levels of schooling and in the workplace. This year, make school a priority in your household. Commit to excellence in attendance. Your child's future depends on it!
