ABC's of Student Success

A B Cs Of Student Success

A is for ATTENDANCE.

Attendance is a critical factor in any child's school success. Children should attend school every day, except in cases of illness or emergency. It is impossible to replace the learning that happens on any school day with make-up work. Regular attendance and promptness are good habits that are expected and appreciated at all levels of schooling *and* in the workplace. This year, make school a priority in your household. Commit to excellence in attendance. Your child's future depends on it!
